Family Volunteer Interest Sheet 2017-18

Volunteers play an important role in the PDMA community. By donating their time and talents, good volunteers make a huge difference in the lives of your PDMA students. We understand that not every volunteer opportunity can fit into your schedule, and we appreciate any time or skills you may have to offer.

Please check events below that you are interested in. We will contact you with volunteer details as the events are planned. We primarily communicate via email.
